

Warm greetings and Happy New Year from all of us at Kids Center!

With winter upon us, it may be helpful to review *Kids Center's Inclement Weather policy*.

- On the first day of a winter weather event, Kids Center will follow the lead of
 Jefferson County Public Schools. That is, on the first day that JCPS is closed due to
 inclement weather, Kids Center also will be closed.
- On the days following the first closure announcement, Kids Center will make an
 independent decision regarding closure. If Kids Center will be closed more than
 one day, we will inform all of the major local news outlets and will post that
 information on Facebook and Twitter. This information will be transmitted to local
 media and posted on social media no later than 5:30 am.
- If JCPS is on a delayed schedule, Kids Center will be closed until the time JCPS begins its instructional day. Any patient appointments scheduled prior to the late time of opening on that day will be cancelled.

Our first priority always is the safety of your family and our staff.

If you have any additional questions or concerns, please ask your child's therapist or contact us at development@kidscenterky.org.

Best regards,

Sue Moore Fenske

Assistant Executive Director for Advancement
