

**Warm greetings and Happy New Year from all of us at Kids Center!**

With winter upon us, it may be helpful to review ***Kids Center's Inclement Weather policy***.

- On the first day of a winter weather event, Kids Center will follow the lead of Jefferson County Public Schools. That is, on the first day that JCPS is closed due to inclement weather, Kids Center will also be closed.
- On the days following the first closure announcement, Kids Center will make an independent decision regarding closure. If Kids Center will be closed more than one day, we will inform all of the major local news outlets and will post that information on Facebook and Twitter. This information will be transmitted to local media and posted on social media no later than 5:30 am.
- On days when JCPS is delayed, Kids Center will be open for "business as usual." Please communicate with your child's therapist and use your own judgement if the roads appear hazardous. Likewise, if the therapist needs to cancel, they will contact you.

Our first priority is always the safety of your family and our staff.

If you have any additional questions or concerns, please ask your child's therapist or contact me at [LCampbell@kidscenterky.org](mailto:LCampbell@kidscenterky.org).

Best regards,

*Lisa*
